RE: Your SENTRI Program Membership #982115841

Dear MARILYN SERNA:

We are pleased to inform you that your SENTRI membership application has been processed and you are now invited to visit a SENTRI enrollment center for an interview to complete the process.

If you submitted your application online via the internet, login to the Trusted Traveler Programs (TTP) System to schedule an interview to finalize your enrollment. You may also call an enrollment center to schedule an interview. If you have already visited the enrollment center for this application, please disregard this letter.

All required fees must be paid at time of interview. Please refer to the SENTRI program requirements on www.cbp.gov to review the fee requirements.

You must bring with you the following original documents to the enrollment center:

For you:

- This letter
- Valid ID
- Originals of Passport, Birth Document
- Evidence of residence

For vehicle enrollment:

If your application includes a vehicle for use in the SENTRI lanes, you are no longer required to have the vehicle inspected. For initial applications or renewal applications, you will still need to schedule an enrollment interview at the Enrollment Center. For vehicle add applications, you will receive an updated notice when your application has been approved.

Once approved, you can use the vehicle in the SENTRI lanes. When registering a vehicle, a U.S. Customs and Border Protection (CBP) officer will inspect the vehicle before it will be approved for use in a SENTRI lane.

When you visit the Enrollment Center, we will review the information you provided on your application and any additional information you provide at that time. We will verify your identity and documentation.

Finally, we will complete the following:

- Take a photograph of you for card issuance
- Take biometrics fingerprints
- Provide you with terms and conditions of the SENTRI program
- Answer any questions or concerns you may have

Thank you for applying to SENTRI.

Respectfully,

Supervisor, SENTRI Enrollment Center
U.S. Customs and Border Protection
